Have you got everything?

- A. Magnetic Wireless Charger with Holder
- B. User Guide
- C. Warranty Certificate

Product Overview

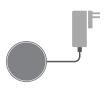

- A. Charging Pad B. USB-C Cable
- C. Holder

3 Charging

Charging your device

• Connect the USB-C cable to a power supply.

- Place your smart phone facing up, making sure the centre of your smart phone is aligned to the centre of the charging pad (A).
- Extend the holder and place on a flat surface to charge your phone at an angle as illustrated on (B).

Note: always ensure that the centre of your smart phone is aligned to the centre of the charging pad.

Troubleshooting

X

- Cannot charge device
- Check that your smart phone supports wireless charging.
 If you have a smart phone case, you must remove it when charging.
- Ensure the smart phone is facing up, making sure the centre of the smart phone is aligned to the centre of the wireless charger.
 - Check and remove any metal or other objects between the smart phone and the wireless charging pad.

Charging slowly

 To achieve 10W wireless charge, ensure that the wireless charging pad is connected to a USB power supply that supports Quick Charge 2.0 (9VDC 1.5A).
